PETITION UNDER 37 CFR §1.182 TO WITHDRAW

A TERMINAL DISCLAIMER

Honorable Assistant Commissioner for Patents

Washington, D.C. 20231

Sir:

It is respectfully requested that the Terminal Disclaimer filed  
September 11, 1997 be withdrawn. The instant Terminal Disclaimer was filed  
to overcome an obviousness-type double patenting rejection applied in a  
previous Office Action in the above-identified application. However, the

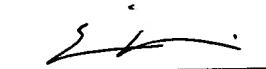

01/15/1999 DVUONG 00000075 08183800 130.00 OP  
01 FC:122

claims in the above-identified application have since been amended and it is now believed that the previously-applied double patenting rejection no longer is applicable.

Submitted herewith is the petition fee in accordance with 37 CFR 1.17(h).

Should there be any question regarding this matter the appropriate representative of the U.S. Patent and Trademark Office is invited to contact the undersigned.

Respectfully submitted,

Eric J. Robinson
